Charles Johnson - Your personal poet

Do you know what you'd like to say to that special someone but can't find the words? I would love to help.

I've been writing poetry for over a decade and have published several books.

Through my decade of experience I will insure that the poem I craft together reflects the depth of your caring and love for the recipient. This poem will make an impression that will be remembered always.

Throughout the years I've been commissioned by individuals and non-profits to create personalized poems.

POEMS FOR JUST ABOUT ANY EVENT!

Now offering poetry classes via powerpoint!

Charles Johnson's poems are brilliantly written from the heart which makes each poem unique ,thought-provoking , and it's own masterpiece. Gretchen Bowen, RN, BSN
