

WHERE OPPORTUNITIES *TAKE FLIGHT*

Register at the San Diego International
Airport Vendor Database to view
opportunities on projects today!

www.san.org/business

The San Diego International Airport utilizes PlanetBids, a web-based bid management system, that will simplify doing business with us.

Key features and benefits include:

- The ability to maintain and update your own company profile
- Automatic email notification of contract opportunities based on your selected business categories (NAICS codes)
- A centralized location for all airport solicitations that is accessible 24/7
- Increased search functionality for requests, addenda, bidders lists and awards

REGISTER your company & view opportunities at: www.san.org/business

- Have your FEIN and NAICS codes ready

Opportunities include but are not limited to:

- Architecture • Concessions • Construction • Engineering
- Equipment/supplies • Maintenance • Professional Services

For information regarding our Small Business Program and educational resources visit: www.san.org/smallbusiness

If you have technical difficulties contact PlanetBids at (818) 992-1771 or support@planetbids.com
