KEY DIFFERENTIATORS

- Each customer is unique and receives **tailored** solutions. Our **passion** is to provide you with a **one-stop-shop** for IT and security solutions, support and know-how.
- We strive to build **long-term client relationships** based on **mutual trust, respect, integrity** and **loyalty**.
- Our huge commercial experience spans most business verticals
- We **give back**. Our mission is to serve the **Veteran community**, through employment opportunities (**Vets first**), or our sponsorship and support of Veteran events.
- Quality professionals, reasonably priced. At a minimum all our cyber professionals are qualified to CISSP level or equivalent
- One of **only 5** WOSB, SDVOB companies in the US with **all HACS SINS**
- ~90 cyber labor categories within GSA Schedule 70

COMPANY OVERVIEW

Stealth - ISS Group® Inc. (est. 2002) is a Woman Owned, Service-Disabled Veteran Owned Small Business (SDVO) **passionate** about protecting companies and agencies from all facets of **cyber-crime**, protecting your people and company data, reducing your information and financial losses, and protecting your reputation. We act as your extended IT, cybersecurity, risk and compliance team and provide **strategic guidance, engineering** and **audit services**, along with technical remediation and security operations. We pride ourselves on the **quality** and **professionalism** of our workforce, **collaborative** relationships with our clients, and our ability to bring you **innovative**, customized but **affordable** vendor agnostic solutions based on your immediate needs while aligning with your business strategy and operations. We add **massive value** and save you money on staffing a permanent security organization.
