

We specialize in helping businesses deliver value from QA
 through
consulting, coaching, and staff augmentation

- Assembling top talent through distributed teams since 2010 -

Reasons why our clients love working with us

- 1 Help **reduce** their QA costs **by up to 40%**.
- 2 **Integrate seamlessly** with their culture, language, and timezone.
- 3 **Build truly top talented teams** within 3 weeks through distributed teams.
- 4 Provide a **fully dedicated and autonomous** QA team.
- 5 **Contribute to their business growth** by optimizing their QA processes.
