

"YES WE CAN!"

Performance

Core Data

Celestial Freight Solutions was founded in January 2006 with the vision of creating a customer service driven company that is dedicated to total customer satisfaction

Our mission is to provide extraordinary service to exceed our customers expectations by maintaining honesty and integrity in all business activities.

We believe in developing long-term business partnerships through mutual trust and respect as we striving for excellence by ensuring customer satisfaction through the quality of our service.

We are committed to earn your business each and every day by providing a quality of service and continuously striving to ensure freight arrives at its destination on time and damage free, while utilizing the most cost effective method of transportation.

Our principles are:

TRUTH	"Sincerity in action and character, we avoid any distortion or misrepresentation"
INTEGRITY	"Unyielding adherence to an ethical code, our word is our bond"
HONESTY	"Maintaining sincerity and reliability in conduct, as well as in all business activities"

We are proud to live and work in a Country where when people work hard they can achieve that American Dream. We live and work in the greatest Country in the World. Bar none.
