

Professional Services and Talent Practice

Inspiration Global Overview

Inspiration Global (IG) is a professional services and technical talent supplier, digital transformation and e-Learning organization.

IG Technical Talent Supplier

IG is dedicated to helping businesses respond to the need for exacting technical skills. We specialize in sourcing technical talent for contract, contract-to-hire, and perm roles. IG has expertise in professional services and sourcing subject matter experts for Microsoft stack, digital cyber security, e-Learning, analytics and legacy systems.

IG Digital

Inspiration Digital is a digital consultancy built to create transformational digital experiences in strategy, machine learning and AI, analytics and BI, cloud solutions and managed services.

IG Partners

Freshworks: Provides SaaS customer engagement solutions that make it easy for support, sales and marketing professionals to communicate effectively with customers for better service and collaborate with team members to resolve customer issues. Their cloud-based suite is used by 40K+ businesses globally including Honda, Hugo Boss, Toshiba, Cisco, Bridgestone, TeamViewer, UNICEF, University of Pennsylvania and Zomato. The company's products include Freshdesk, Freshservice, Freshsales, Freshcaller, Freshteam, Freshchat, Freshmarketer and Freshrelease.

Knowzies: Provides digitized solutions for interactive e-Learning solutions and business technology innovation. They build out-of-the-box learning solutions, software and mobile applications. For example, custom, rapid authoring, mobile learning, video and animation, micro learning, translation and localization, flash to HTML5 conversion, gamification and resourcing.
