## Why You Should Work With Us

### SECURITY

We take security seriously. Our entire staff take routine security and secure code training in addition to security monitoring. Our code goes through static and dynamic code analysis that is built into our SDLC and penetration testing to ensure the highest quality is met.

### COMPETITIVE

With offices in the US and overseas, we are able to lower your costs by leveraging the global marketplace. We don't outsource, rather we have invested heavily in global services so we can provide the same service at lower costs.

### BUSINESS-TO-BUSINESS

eCommerce is not built just for consumers, businesses can benefit from it too. We can help your business provide high-tech digital tools to streamline your B2B ordering experience.
