SUN ROOMS FLORIDA ROOMS SCREEN ROOMS

TREAT YOURSELF

To some personal space

SUN ROOMS

- Enjoy the surrounding landscape while being sheltered from adverse weather
- Create a sun room that complements the architecture of your home

FLORIDA ROOMS

- Create a casual living area to match the original architecture of your home
- Enjoy all the comforts of home in your Florida room. Run lighting, electrical, and plumbing to enhance your space for relaxing and entertaining

SCREEN ROOMS

- Enjoy the fresh air in a covered area accessible from your home
- Relax and enjoy the view, free from insects, leaves, and debris

*“We added a sun room, and like magic,
our whole house became more livable.”*

Sun rooms and Florida rooms with glass windows are an extension of your home. Our screen rooms feature extruded aluminum post & beam frames with baked-on enamel finish and fine mesh fiberglass screening, plus a wide range of high value, high quality options. Any way you look at it, your whole house feels bigger with a Florida, sun, or screen room by White Aluminum.

WA

*“Spring, summer, autumn, and winter.
You’ll find us out here most days, rain or shine.”*

ACRYLIC & VINYL ROOMS

MORE LIVABLE
Clean and protected

ACRYLIC OR VINYL ROOM

- No more sweeping
- Livable all year around
- Protection from the elements
- Enjoy the yard without all the bugs
- Economical alternative to other types of construction

Turn your screen room, lanai, porch, or patio into a comfortable, livable, year-round space. A **vinyl room** with durable, tinted, or clear vinyl windows is a popular, practical option. Choose from horizontal slider windows, or our four-track vertical panels that let you open 70% of your room for maximum ventilation. An **acrylic room** – with high quality, virtually unbreakable acrylic windows – provides an added layer of security and comes in multiple panel options.

SCREEN ENCLOSURES POOLS, SPAS, AND PATIOS

MORE COMFORT
Convenience & privacy

POOL AND SPA ENCLOSURE

- Less evaporation of expensive chemicals
- Spend less time cleaning and vacuuming
- Protects against falling leaves and debris
- Filters out UV rays
- Guard against birds, lizards, frogs, wasps, mosquitoes, and other unwanted insects
- Keeps children and others safely away when you're not around
- Spend more time sunbathing and relaxing around the pool and patio with family and friends

*"Now my pool is the private piece of paradise
I've always wanted."*

White Aluminum screen enclosures are custom designed to suit your pool, spa or patio area. All enclosures are constructed of high quality, extruded aluminum framing and fine mesh fiberglass screening. Choose from white or bronze finish framing, and specify a flat, hip, gable or dome style roofline to enhance the appearance and value of your home.

*“They look great inside and out,
and our electric bill is better looking, too.”*

Windows from White Aluminum are the perfect solution for any remodeling or replacement needs. Vinyl frames for double-hung, casement, awning, gliding or specialty windows are available in a wide range of colors and are virtually maintenance free. With double glazed low-E glass, you'll enjoy the industry's best energy-saving advantages.

REPLACEMENT WINDOWS LOW-E WINDOWS IMPACT WINDOWS

CLEARLY BETTER
Any way you look at it

REPLACEMENT WINDOWS

- Improve the look of your home
- Save energy

LOW-E WINDOWS

- Rejects a significant amount of the sun's infrared heat
- Saving energy = Saving money
- More comfortable living

HIGH-IMPACT WINDOWS

- Protects against wind-borne debris

STORM PROTECTION STORM PANELS AND SHUTTERS SECURITY SCREEN

SAFE & SECURE

Be ready to weather the storm

GARAGE DOOR BRACES

- Helps resist the inward and outward pressures a major storm can produce.

STORM PANELS

- For maximum-protection
- Fast and easy to install
- Stackable and storable

STORM SHUTTERS

- Protect during hurricane season
- Protect during thunderstorms
- Important line of defense
- Two quality options: permanently attached, lockable accordion shutters; and top-of-the-line, push-button roll-up shutters.

SECURITY SCREEN

- Protects your home against wind-borne debris

IMPACT WINDOWS

- Effective protection against wind-borne debris

*"We have storms. We know they're coming.
It just makes sense for us be ready."*

*In addition to top-quality **garage door braces**, **storm panels** and **storm shutters**, we offer a range of other storm and security products, including **security screen** and **high-impact windows**. Our list continues to grow as new products become available, and most of our storm and security products are available in Do-It-Yourself kits.*

*“Here’s to the three little words
I’ll never hear again: Paint the house.”*

Your **White Aluminum** vinyl siding and trim will *never rust, and never need painting!* Our siding is available in a wide range of colors, styles, and grades; some styles are backed with foam insulation that increases your home’s insulating R-factor. Aluminum or vinyl soffit and fascia systems also come in a variety of colors and in a wide array of styles.

VINYL SIDING SOFFIT AND FASCIA

PROTECTION

It’s beautiful, with benefits

VINYL SIDING AND TRIM

- Affordable
- Completely trouble-free
- Enhances your home’s beauty and value

SOFFIT AND FASCIA SYSTEMS

- Beautiful finishing touch to your home’s bright, new look
- Long lasting protection
- Peace of mind

ROOF-OVERS AND ROOF REPAIR

FROM THE TOP DOWN
The quality of comfort

STATE OF THE ART ROOF-OVERS

- High-quality locking roofing systems
- Superb structural integrity
- Excellent insulating properties
- Efficient, affordable alternative when your roof needs repairs or increased insulation
- Applied directly on top of your existing roof
- Styles range from a simple Weather Cover system of interlocking aluminum panels designed to protect against rain, sleet and wind, to our Uniflex II, which offers energy efficiency as well as weather protection
- Transferable LIMITED LIFETIME WARRANTY

*“Keep a good roof over your head.
It’s not just an expression. It’s a necessity.”*

Our roof-over systems, which are interlocking aluminum pans, offer a variety of benefits. Adding expanded polystyrene sheeting with aluminum overlay panels to an existing roof optimizes heat gain/loss, and protects your home from leaks for a lifetime!

“No more dashing through a drenching downpour to get in the car or grill out!”

CARPORTS PATIO COVERS

COVER YOUR ASSETS

An extra measure of convenience

CARPORTS, WALKWAYS & PATIO COVERS

- Quality crafted free-standing or attached
- Perfect shelter for you, your vehicles, boats, bicycles, and backyard guests from the elements
- Custom carports and patio covers are designed and built to meet your specific needs.
- Practical and affordable
- Patio covers can also be designed from the start for conversion to screen, glass, or vinyl rooms in the future!

White Aluminum carports and patio covers are custom-designed, making them suitable for use on any type of home. Choose from structural aluminum pan roof or composite panels. Roof panels are available in various thicknesses, with and without insulation. Ask your sales representative about trim options. Gutters and fascia are also common added features for proper rain water management. Columns and post supports are designed for maximum strength and durability.

PERGOLAS LATTICE SHADE

MADE FOR SHADE

A lifetime of charm

LATTICE SHADE OR PERGOLA

- Open and inviting
- Idyllic architectural flair to porches or patios, gardens or pools
- Looks like the product of a master woodworker
- Exquisitely grained and expertly tooled
- Lightweight aluminum
- Durable bonded resin coating that protects against sun and rain
- They'll never warp, split, or crack
- Termites are never a threat
- Custom shade options available

*"Just the right amount of shade,
with a very tasteful touch of elegance."*

*Pergolas and lattice shade structures are crafted from **heavy gauge virgin aluminum** and **coated with a durable, stain-resistant resin impervious to weather and time. They never need painting.** Lattice shade products are available in **white, ivory, beige, and adobe** with a variety of end-cap styles to suit the style of your home and grounds.*

*“They look great, they help keep the sun out,
and we still have the view we love.”*

SeeView Awning

SunGuard Awning

Awnings from White Aluminum are more than that attractive finishing touch. Our SeeView awnings feature a durable baked on, high gloss finish in an open slat design that lets soft natural light in while filtering out damaging, energy-sapping UV rays. All White Aluminum awning systems are available in a range of designer styles, colors, and designs sure to suit your home and lifestyle.

AWNINGS

OVERHEAD APPEAL

Prestige and protection

SEEVIEW AWNINGS

- Add privacy without obstructing the view
- Slatted design allows natural light in
- Cut energy costs year round
- Protect drapes, carpets, and upholstery from fading
- Wide variety of decorative colors

SUNGUARD AWNINGS

- Reduce heat gain
- Solid protection from wind and rain
- Designer styles and colors

DO-IT-YOURSELF KITS

WORKMANSHIP

For some it's right at home

WHITE ALUMINUM DIY ADVANTAGE

- We are your go-to source for hands-on home improvements
- Every kit comes complete with easy to follow step-by-step instructions
- DIY Kits help you save money
- Almost every one of our installed products is available as a Do-It-Yourself kit
- You'll receive all the necessary materials and parts right down to the last nut, bolt, and washer
- We'll be here for you if you need an answer, some friendly advice, or just a little extra encouragement along the way

"Quality materials and clear directions – that's all I needed to build it myself."

White Aluminum Do-It-Yourself Kits include clear, easy-to-follow printed instructions and all the same high quality parts and materials we use in every project we do. Call or use our convenient online contact for more information on the DIY project you're ready to take on. We always welcome your visit to the White Aluminum showroom nearest you. One of our White Aluminum experts will be more than happy to assist you with your order and give you friendly advice.
