DIFFERENTIATORS

- No *“One Size Fits All”* Model: In order to curate our work to your community and culture we conduct an assessment to familiarize ourselves with your needs and your physical environment
- **Conversation Curation:** Through our needs assessment, we curate interactive and intentional ways to facilitate empathy, knowledge and awareness on various mental health, wellness, professional development, climate and culture topics
- Our work has allowed us to support anyone from church leaders holding space for members of their community to hosting corporate conferences with professionals from all over the world. It is due to this expansive client model, that our work has been far-reaching and we have been able to impact various populations
- Our work is centered in culturally humble and responsive, trauma-informed practice
