

NEW – COST AUDITING/ SAVINGS PROGRAM

Even if you don't need any services to help you grow your business or sales, all businesses can benefit from cash flow they receive through cost savings.

With our Cost Auditing/Savings program we can save or recover funds for your business in areas such as:

- Shipping (like with Fedex and UPS)
- Credit Card Processing
- Waste Management
- Workmans Comp
- Business Financing
- Utilities
- Real Estate Taxes and Specialized Tax Incentive Programs

The best part is a) you only pay us based on the savings we get you or the money we recover – A 50/50 split and b) YOU DO NOT HAVE TO CHANGE YOUR CURRENT VENDORS OR SERVICE PROVIDERS IN MOST CASES

The company we facilitate this though has saved companies over \$300 million since inception. Lets see what we can save you. Call 972-591-3840

Alternative Business Consulting Solutions

Resources + Strategies = SUCCESS

The Business Builder

This is our flagship consulting program for businesses needing short term (6 to 12 months) consulting solutions. Our goal with the Business Builder is to increase your revenues by up to 50% within the allotted program time using one or more of the 5 Core Fast Growth Strategies

The Only No Direct Cost Consulting Program On The Market*

For qualifying businesses, our retainer for the Business Builder is paid with no upfront cost (other than the standard \$350 business evaluation) and the monthly payment can be made using net savings or net profit increases that we help you achieve – so you will not have an additional out of pocket expense by using this program.

Qualifications: Must be located in the US or Canada, Must be 2 years or more in business and must have revenues of at least \$250,000 a year. If you fall below these requirements you may qualify for either the equity version of the program or may be referred to the StartUp Business Solution. Cost Range: \$5,000 to \$35,000USD

The Sales Manager

Sometimes the only thing that will help you increase sales and revenues is to just have a sales team out there pounding the pavement for you. However, if you are a small or mid sized business without a proven market, you can find that hiring a full time sales manager can be a very expensive option until you have the revenues to justify it, The median salary requirement of a sales manager is \$70,000 a year plus override commission.

We Offer The Perfect Short Term Contract Solution That's Very Affordable and Comprehensive

For as little as \$2,000 a month plus 5% to 10% override commission on gross team production you get the following:

40 hours a month of on premises work and unlimited as available phone access during business hours

--FULL CYCLE SALES RECRUITING (RUN ADS, INTERVIEW, HIRE, ONBOARD, TERMINATE,EXIT INTERVIEW)

--SALES TRAINING (USING ADVANCED TECHNIQUES SUCH AS NLP AND STANDARD TRAINING TO LEARN SALES SKILLS AND PRODUCT/SERVICE KNOWLEDGE)

--SALES MANAGEMENT (USING CRM TO TRACK AND MANAGE LEADS, MENTORING, CLOSING ASSISTANCE)

--ENHANCED CLOSING TOOLS (LEAD GENERATION DEVELOPMENT, UNIQUE SELLING PROPOSITION, CLOSING INCENTIVES AND CONSUMER FINANCING OPTION)

The Business Manager

Have you wanted to start or buy a business but just don't have any idea on how and where to start, what to look for or even how to run it? Or do you just need a simple solution to grow your current business or business idea?

We'll Find It, Fund It and Help You Run It

--BUSINESS SELECTION (RESEARCHING SEVERAL ON MARKET BUSINESSES TO SEE IF THEY HAVE POTENTIAL AND CAN CARRY FINANCING TO BE ACQUIRED)

--SELLER FINANCING AND ALTERNATIVE FINANCING ARRANGEMENTS (CASH OUT OR COMBO FINANCING USED TO ACQUIRE BUSINESS WITH VERY LITTLE OUT OF POCKET MONEY)

--SYSTEMS IMPLEMENTATION (DEVELOPING AND PUTTING INTO PLACE AND WRITING PROCESSES AND SYSTEMS FOR ALL FOUR MAJOR AREAS OF OPERATIONS – MANAGEMENT, MARKETING, DAY TO DAY, AND FINANCIAL)
