

# Rising Interest Rates Got You Down?

**Interest rates are steadily increasing across the country, but not at Accessity!** As a small business lender with a mission to help entrepreneurs like you start or expand, our fixed interest rates remain the same (**6.99% - 14.99%**) for our financing program.

## Our program features:

**1. Startup or growth capital** for your Southern California business -- Term loans from \$300 to \$100,000.

**2. Flexible Terms** – A term that fits your business and saves you money.

**3. No prepayment penalties** – You have the flexibility to pay the loan early or make scheduled payments over the term of the loan.

**4. Community of support** – When you receive a loan from Accessity, you'll get access to exclusive programs to support your business.

**Schedule a call with one of our business development team members today.**
