Sourcing Specialized Talent to Fuel Complex Multi-Sector Initiatives. U.S. - Based Staffing & Consulting | MBE & WBE Certified | Headquartered in Austin, Texas

Digital iTechnology LLC is a premier staffing and consulting firm delivering highly qualified professionals to government agencies, prime contractors, and enterprise organizations nationwide. Founded in 2012, we possess 14+ years of corporate experience mobilizing specialized talent to support critical missions.

We provide comprehensive workforce solutions across Healthcare, Professional Administration, and Engineering. As a certified MBE and WBE, we maintain rigorous compliance with federal and state standards, including E-Verify, I-9 verification, and multi-layer background screening.

## Core Competencies

We deploy skilled professionals across four primary pillars to meet mission-critical client needs:

### 1. Information Technology & Cybersecurity

**Cloud & DevOps:** AWS, Azure, GCP, SRE, and Platform Engineering.

**Software Development:** Custom programming (Java, .NET, Python) and AI/ML modeling.

**Cybersecurity:** Information Assurance and Highly Adaptive Cybersecurity Services (HACS).

**Data & Systems:** Data Engineering, BI, and SAP S/4HANA migrations.

**Infrastructure:** Data Center Management, Data Center Engineering & Migrations, Operating Systems, Network Engineering.

### 2. Healthcare & Clinical Staffing

**Clinical Support:** Physicians, Nurses (LPN/RN), and Miscellaneous Health Practitioners.

**Medical Administration:** Clerical medical support, medical billing, and transcription.

**Specialized Care:** Home health care services and dental support.
